BEST WAY TO SUPPORT OUR MINISTRIES!

Please mark your calendar for Old Bill's Fun Run, which is on **September 10, 2016**. This is the camp's largest yearly fundraiser, which matches your donations by as much as 50%. Last year we had \$42,000 given to the camp!

Gift forms are included with this newsletter, or you can also **donate online at oldbills.org**. Go to the "Donate" button and type in Rocky Mountain Ministries or Community Bible Church. **RMM** is more versatile and can use funds for the program which indirectly helps the college. Gifts can be made now through September 17th, which is the deadline to make donations. The Community Foundation will send you a tax receipt.

THANK YOU so much for your prayer and financial support!

JHBC Year 20!

Dear Friends of the Hole Connection,

The excitement is mounting; year 20 at Jackson Hole Bible College starts in just 3 weeks! We have a fabulous schedule lined up including trips to Yellowstone, Montana, the Creation Museum & Ark Encounter, Grand Canyon, Arches and Zion to name a few. Our amazing professors are scheduled and ready to teach and our staff are eager for another year of discipleship and growth in the students.

We currently have 16 students, with a few pending applications; our prayer is for at least 18. Unfortunately, we've had a few last minute cancellations by some of our accepted students; loss of parent's job and other issues have kept them from attending JHBC this fall. We know this is a VERY last-minute request, but if you would like to give towards our scholarship fund, please contact Holly at (307) 690-5202 as soon as possible. We would love to see these students have the opportunity to attend JHBC.

Praying blessings for our amazing friends and family of JHBC!

Holly Austin

Why Vote? Part One

by Don Landis

Presidential election is upon us. Every election we hear people claim it's the most important ever, and this one is no exception. This time it certainly is true; the effects will be a watershed for our culture.

JHBC Reunion

Our 20-year reunion is set for **July 3-8, 2017!** Cost to stay at the campus will be \$250/person which includes food and lodging. Only bunkhouse dorms are available, so rooms will be split for men and women.

Teton County Fair

Rocky Mountain Ministries sold more Philly cheese steaks this year at the Teton County Fair! It was not as busy as it has been in recent years, but we are thankful to the Lord for the money raised for the ministry.

PRAY!

- ◆ For our Kids Camp that runs from August 9-13
- ◆ For new JHBC students as classes begin August 22
- ◆ For the Christian Academy to have a good start to school this fall
- ◆ For the Lord to continue providing for all our needs

I hear lots of talk from Christians that they are not going to vote. Some claim it is their "conscience" that will keep them from voting. Others are merely disgusted with the options.

Here's some Biblical food for thought:

The Bible says clearly that God is in control of raising up and taking down kings. He is sovereign over the world theater of politics! Daniel 2:19-23 and Romans 13:1-7 are the key texts on this issue but not the only ones. This theme of God's hand is seen throughout scripture. Please read these passages.

He turns the heart of the King! "The king's heart is like channels of water in the hand of the LORD; He turns it wherever He wishes" (Prov. 21:1). This is not only true for any godly kings but for all kings including evil kings of the earth! He can use evil spirits to do His bidding. Satan too must, and does, accomplish what God has decreed even while doing so from his anti-God nature.

So in the end? Hillary or Trump? God will have His way with America. Stay tuned for more in upcoming newsletters.

Camp Projects Week

This July we were incredibly blessed by Emory & Elaine Dunahoo and their group from Blackshear Place Baptist Church who helps us every year with construction projects at camp. They pay for lodging, cover the cost of all

materials we need, and work for free. It is truly amazing what this group has contributed to our ministry. Praise the Lord!

This year we resided a staff cabin, built new stairs up to Pastor Don's deck, built a new sign for our driveway, and other miscellaneous projects. Camp is looking great!

We love these people and pray that Don's teaching sessions with them were eternally impactful.
