RENOVATIONS AT RML

Once again the ministry at Rocky Mountain Lodge was incredibly blessed by the work team from Blackshear Baptist Church in Georgia. Twenty-one outstanding individuals donated their time, effort, and funds to help with many renovations around camp. We were able to update our kitchen with beautiful new, heat resistant

countertop that should last for years to come. A group of men installed brand new flooring in

the dining room, replaced a deck behind the Kuhns' house, built a nursery for the growing Woodhouse family, added steps and railings to our wooden ramp, installed brand new plumbing in the bunkhouse, and re-tiled in the Woodhouse's house and the guys dorm. The women in the group put a fresh coat of stain on the outside of many of our buildings, planted flowers, and painted the kitchen. ALL IN 5 DAYS!!! Their attitude of sacrifice and service was a huge encouragement and example to the staff. We tried our best to return the encouragement with solid teaching from Pastor Don and lots of yummy

food! As they returned home, we were once again humbled by the blessing of individuals utilizing their gifts for the benefit of the Body of Christ!

CBC MISSIONARY: THE SMITH FAMILY

The folks at CBC were excited to receive an update in person from Kelly, Cherise, and three of their 5 children on July 23rd. The Smith family is

currently stateside for 4 months, and it was so encouraging to hear how the Lord is using their ministry, 7 Rivers

Outreach, to impact the Zulu people of South Africa for Christ! Their ministry has added new outreaches as their team has expanded. Currently, they are in the beginning stages of developing a children's village to provide homes for orphans. To learn more about their work and ministry, check out www.7riversoutreach.org.

JHBC 20-YEAR REUNION

The week of July 2 - 8 brought a total of 51 alumni and a few additional friends back to JHBC for our 20 Year Anniversary Reunion! We thoroughly enjoyed morning teaching sessions with a few of our Professors. Dr. Janssen refreshed us on our "Walk Through the Prophets" and Hermeneutic principles. Dr. Powell taught a brief survey of Ecclesiastes. Eric Hovind encouraged us to continue to live with an eternal perspective. Dr. Benware walked us through a series called

"Believers Payday," looking forward to our coming eternal reward, and our very own Pastor Don wrapped it up with a "Potpourri" of connected

KIDS CAMP AT RML

Once again, RML hosted a great week of kids camp in early August! We had 22 children join us as well as 10 high school and college age volunteers. The theme was Operation Arctic and the children learned about the infallibility of Scripture through the teaching, skits, campfires, and songs that are always so anticipated. Besides the hiking, night games, and water park trips that are always a highlight, the kids enjoyed a few new fun activities this year such as tie-dyeing t-shirts and slip-and-slide kickball. A big thank you goes out to all our volunteers who helped make this week so enjoyable for our campers! Also thank you to those who donated to Rocky Mountain Ministries through Old Bill's Fun Run last year. Some of those proceeds helped to provide scholarships for campers who could not pay the full amount.

issues believers face in today's world. Apart from the incredible encouragement in the Word, the reunion was a refreshing time of fellowship and renewal as old friends reunited and people made new friends with alumni they had never met before. Activities abounded with volleyball and ultimate frisbee tournaments, hiking excursions, whitewater rafting, campfires, rodeo, dinner at the Bar-J, and 4th of July parade and fireworks in Jackson. Thanks to Holly's hard work, we took a trip down memory lane with a slideshow of JHBC highlights from over the last 20 years. All too quickly the week was over and many were requesting we plan another reunion soon. We are considering instigating a "Homecoming" week every 2 years because of the positive feedback and requests we received. If you were unable to make it this year, Lord willing we will plan a similar event for the summer of 2019... so mark your calendars!
